Treasurer’s Report and Budget Discussion
The board discussed the current financial situation of STC. Mr. Larsen reviewed the activity report. Ms. Moyna reviewed the assumptions that she and Mr. Larsen are working from while putting together the 2013 budget. The board discussed various requests from committees for funding.

A motion was made to fund the high school writing competition as requested by the Community Affairs Committee. Motion seconded. The motion was lost.

Increasing Board Size
Mr. Maggiani gave a history of the size of the STC board. In 2009, the board had 8 directors, now there are 4 directors. He feels the number of directors should exceed the size of the Executive Committee, so would like to increase the number of directors to 6.

He also proposes that we re-create the role of second Vice President. The Immediate Past President role would shift to an advisory role and not be a voting member of the board nor attend meetings. He suggests that having a 2nd VP role gives two years of preparation for the President role.

A motion was made to increase the number of directors-at-large on the STC board from 4 to 6. Motion seconded. The motion was lost.

International Summit Awards
Ms. Bleiel discussed the current status of the International Summit Awards (ISA) and ideas for this competition for the future.

A motion was made that the board support redesigning the international competitions for possible rollout in 2013. Motion seconded. The motion carried.

Ms. Spayer reviewed the membership of the Community Affairs Committee (CAC) and the committee’s plan for 2012-2013. A major goal of the CAC is to be a communications channel between STC community leaders and the board/staff.

The CAC is working on leadership resources for the website and leadership handbook. They sent out a community health survey and have received about 50 responses thus far. They are also planning the Leadership Program for the Summit.

Mr. Tucker noted that there are 4 meeting rooms available from our Adobe Connect license to the CAC for communities to use.

The board took a break from 11:26 AM – 11:31 AM EST.

The meeting resumed at 11:31 AM EST.

Ms. Stacey O’Donnell joined at 11:31 AM EST.

**Membership Committee Update**

Mr. Gallon reviewed the membership committee’s requests from their last meeting. The membership committee had requested that the board reach out to chapter leaders to encourage them to do a local renewal push. Mr. Maggiani mentioned that there needs to be a coordinated message.

_A motion was made that the board honor the request by the membership committee to personally reach out to chapter leaders to encourage renewal efforts at a local level. Motion seconded. There was some discussion about whether this is an informal discussion from the board members or a formal campaign. Some noted that the CAC already does this as part of their outreach. The motion was withdrawn._

Ms. Sanders is working on a “Get Started” plan to help chapters with strategies for welcoming new members (email series). The goal is to get new members started with STC within first 30 days of joining. Ms. Sanders can work with the CAC to add this to the CAC leadership resources.

Mr. Gallon and Mr. Aschwanden volunteered to send letters on behalf of the board to reinstated members to welcome them back.

_A motion was made that the STC board approve the action of Mr. Gallon and Mr. Aschwanden sending letters on behalf of the board to reinstated members to welcome them back. Motion seconded. Motion amended as written below._

Ms. O’Donnell reviewed the business development and sponsorship efforts of STC over the last year. The numbers have been increasing for the last 3 years.

The affinity program is now up and running. It provides special discounts for STC members to companies in the program.

Ms. Hart discussed the Development Committee’s activities and the various levels of giving available to STC members:

- Individual giving (calculated cumulatively, over time)
