Officers have additional responsibilities beyond the ones listed above. Ms. Bleiel reviewed the job descriptions for the President, Vice President, Secretary, and Treasurer.

Mentoring Initiative
Ms. Pam Brewer discussed how Academic SIG members want to show themselves as not just academics, but academics working with students to help grow them into their careers. They have worked with Stacey O’Donnell, Business Development Manager, to set up a Mentoring Board online.

Plans for mentoring:

- Refine a MentorBoard
- Refine the student to practitioner opportunities
- Add other opportunities including educator to practitioner

This program is virtual. Chapters could also use the mentoring program. Mr. Larsen raised the point that the mentor program could not only be a professional mentoring program, but also to walk those being mentored through what it takes to be an STC leader.
