**President’s Report**

Mr. Houser mentioned that Steven Jong, Certification Commission Chair, will join us at the November face-to-face board meeting on Friday.

David Goch, STC lawyer, recommends that we make the following revisions to the bylaws:

- Adjust the requirements for petition by members.
- Adjust the requirements for running for Society office by petition.
- Improve the board’s ability to police itself (allow board members to expel other board members if they are acting in inappropriate manner).
- Housekeeping changes

We'll discuss these suggestions in more detail at the November face-to-face board meeting.

**Treasurer’s Report**

Ms. Moyna discussed the August 2012 financial report.
A motion was made to approve the August 2012 financial report. The motion was seconded. The motion carried.

A webinar for community budgeting is coming up.

**Discussion**

**Standards report**
Mr. Gallon reported that the ISO standards 26531 on content management committee is looking for an expert editor. Mr. Gallon is also looking for a project leader from STC for revisions to the IEEE standards for web engineering.

Mr. Gallon asked the board to consider whether STC should be involved in the ISO 82079 definition, and whether we should rejoin OASIS, or rely on Joann Hackos to be our representative. Mr. Gallon also discussed the OpenStand initiative, a joint effort among multiple organizations to create extensible, standardized standards.

A motion was made that STC endorse the OpenStand initiative as a statement of good faith. The motion was seconded. The motion carried.

**Retired membership category**
Ms. Bleiel reviewed the suggested changes to the Retired membership category:

- Change 67 years old to 65 years old
- Change “completely retired” to “works 20 hours or fewer a week (on average)”

The criteria would be posted on the website, and it will be done on the honor system.

A motion was made to accept the proposed changes to the Retired member requirements. The motion was seconded. The motion carried.

**Membership committee report**
A motion was made to approve the 2013 membership committee. The motion was seconded. The motion carried.
